SUMMARY

With a strong passion for visual storytelling, I am a highly motivated and ambitious Graphic and Visual Designer based in London, Ontario, Canada. I possess a strong academic background with a Bachelor of Graphic Design specializing in animation and video editing from Hoa Sen University, Vietnam. My key strengths lie in 2D illustration, digital art, graphic design, animation, and video editing, along with strong collaborative, problem-solving, and customer service skills.

Currently, I am pursuing my diploma in Interactive Media Design at Fanshawe College and expect to graduate in April 2026. I have a strong passion for creating visually engaging designs that meet client requirements and provide maximum customer engagement. I would like to take up a full-time role with a dynamic and creative team and am willing to relocate for my career growth.
